Pajama Day

Our first Pajama Day of the year will be on Thursday, Nov 21. For comfort and safety, please no slippers and also make sure your child can remove their own pjs to use the restroom.

Cold Weather Reminders

Please label your child's jacket, gloves, etc- many items are or look the same and things can get mixed up easily!

We do try to go outside even in cold weather, so please make sure to send your child in appropriate clothing.

Cold and Flu season is upon us and we are doing everything we can to keep students and teachers healthy. We are practicing healthy habits like handwashing, covering coughs and sneezes, and using tissues appropriately. Please reinforce at home and keep your child home if they are sick. We appreciate your help!

Thanksgiving Feasts

Please join us for a preschool inspired feast and songs! There will be a Sign Up Genius emailed to RSVP and to bring an item if you are able to. If your child's class feast is not on a day they normally attend they are still welcome to come celebrate!
